

Long-Distance and Community-Based Clinical Pastoral Education/ Training Spring, Summer, Fall 2020

The Rev. David G. Berg serves as Supervisor of Clinical Pastoral Education (CPE/T), a training program of the College of Pastoral Supervision and Psychotherapy (CPSP). The 200-hour program employs on-the-job training, case presentations, theological reflection, didactics by seasoned faculty, and individual and group supervision as a way of integrating scripture, doctrine and one's self-understanding with the theory and day to day practice of ministry.

The use of videoconferencing for supervisory sessions frees pastoral practitioners from travel constraints and allows them to remain in their own congregation or clinical setting or to choose another venue for ministry.

A graduate of Moravian College, Bethlehem, PA and the Lutheran Theological Seminary at Philadelphia, David Berg has deepened his clinical experiences with CPE/T at Cook County Hospital, Chicago; the National Institutes of Health, Bethesda, MD; and the MD Institute of Pastoral Counseling, Annapolis, MD, where he also served as counselor and consultant for 25 years. Certified as a Diplomat by CPSP since 1994, his broad range of ministry experiences include having served as a:

- Supervisor for more than 65 students / interns engaging in 400-hour programs of Clinical Pastoral Education/Training.
- Chaplain for 20 years at Maryland's third busiest hospital, also serving on numerous committees and hosting breakfasts for more than 100 clergy.
- Treasurer and member of the Leadership Team of the COMISS Network (the "United Nations" of pastoral care organizations and endorsing bodies); and member of the Accreditation Oversight Committee and Governing Council, CPSP.
- Pastor at five Maryland churches, adding more than 900 members to his congregations.
- Denominationally-appointed pastor/ developer who in 20 months spearheaded the birth of a self-supporting mission in Bowie, MD.

- Director of Spiritual Care for 800 senior citizens in five faith-based “Fellowship Houses” in VA and MD; facilitated a \$275,000 bequest to that organization.
- Pastoral Consultant in Community Relations for real estate developers in five VA and MD counties, including, among other programs, the development and funding of the Midnight Basketball League program recognized by President George H. W. Bush as his 124th Point of Light.
- Instructor teaching on-line courses in both Pastoral Care and Ministry with Seniors at the Institute of Lutheran Theology.
