On-line CPE

A new course of CPE is starting soon. We will meet once a week for 3 hours, a weekly session with supervisor and weekly assignments to meet the 100 educational requirements. Each student will also need to be involved in 25 hours of ministry (pastoring, volunteer chaplain, hospice, prison) to accumulate the 300 clinical hours. Each student needs 400 hours per course of CPE.

Students will learn the value of a group, the benefit of processing emotions, strengthen pastoral skills, enhance ministry identity and pastoral formation.
